

Grande Prairie Skating Club

Letter from the President

Let me open by thanking all of the members of the Grande Prairie Skating Club, all of you, for your volunteer help and support over the past year. We have had a great year and I believe the club can be very proud of what has been accomplished. While I have enjoyed my term as Vice President and Bingo Chairperson for the club over the past year, and learned a great deal about what it takes to make a club as large as this run smoothly, it is clear that it is only when we work together as a team that we can be truly successful. We are blessed to have all of you willing to come together to help make this club a safe place that nurtures the love, care, and physical development of our kids and their coaches; and the continued growth of this sport of figure skating in our community. A large part of the success of this club is due to the dedication, skill, and commitment of our coaches, and I would like to specifically thank them, for everything they have done for us over the past year. Our skaters have developed and excelled, both on the ice and off, and I thank the coaches for investing their time, talents and energy in them and this club. Returning in the fall will be Ashley, Cheryl, Caroline and Kelsey. A special welcome to Jennifer Monk who will be helping coach this summer with our Canskate program. As the new President of the Grande Prairie Skating Club, I hope to continue the good work of those who came before me and to continue to foster increased communication within the club so that we can all share knowledge, exchange ideas, work together, and broaden the relationships we have with each other. I hope to make this next year a positive and rewarding experience for us all, board, parents, skaters, and coaches.
